Elisabeth,

I have the following chemists under subpoena for the trial of Comm. v. Luis O'Reilly to appear at New Bedford Sup Ct. today at 2 pm:

1. Chemist Della Saunders, State Lab in Boston
  2. Chemist Kate Corbett, State Lab in Boston
  3. Chemist Lisa Glazer, State Lab in Boston
- [REDACTED]

I have been out of the office for last couple of weeks and I have not been able to speak with them directly. This case may plead today. I should know shortly after 9 a.m. If the case pleads, then I will not need them. If the case does not plead, then I will need them to testify. There is a little bit of a wrinkle; an office colleague passed away on Friday and the entire office, as well as a lot of court staff, will be attending the funeral service today. Court will not be in session of most of the morning. If the case does not plead, I may not sure if I will be able to get all of the chemists on the stand today (we will have to start jury selection sometime around noon – usually we are done by then) – I believe that Lisa has a child care issue.

Can you help me get in touch with Della, Kate, and Lisa? If you could either send me one of their cell phone numbers, or if you can give me your number, I can let you know if the case pleads this morning (I think that it will, but I as Ronald Reagan said – trust, but verify – so I have to be ready for trial).

When you get this email, would you please call me on my cell phone at [REDACTED]?

Thanks,

Garrett
